

Looking for a new way to enhance an existing golf group package? Let our expert Group Sales Managers assist you with planning a golf clinic, demonstration or golf school prior to, during, or after your golf outing or meeting. Golf Instruction clinics can provide a unique experience for the non-golfer to the most accomplished player.

Troon Golf Academy is recognized as the most innovative and result driven teaching academies in the industry. We attribute our success to our certified staff, experience in the field and dedication towards enjoyment and improvement in the game of golf. All of our Troon Golf Certified LPGA and PGA professionals develop a technique that allows the students to utilize their natural abilities and tendencies. A customized program is based on the students' needs rather than a generic message. We will exceed your instruction expectations.
